Objectives and activities

Our purpose is to relieve those in need by reason of age, ill health, disability, financial hardship or other disadvantage amongst residents of the South West/East/North West areas of Glasgow and environs, particularly those most disadvantaged, by:

Achievements and performance

As with many organisations, Covid-19 had a major impact on our activities in the year 20/21. Our minibus-based group transport service, and our patient transport service, delivered by volunteer drivers using their own car, were both suspended in March 2020 and remained so during quarter 1 of 20/21 (April June). Our group transport service resumed in August 2020, but was restricted to afterschool activity for the rest of the year, with no hires taken by any of our other groups.

To continue our patient transport service in 20/21, in July we entered into a working arrangement with Scottish Ambulance Service (SAS) whereby we provided them with transport for patients in our community areas, using our minibuses.

The demand for SAS transport services increased dramatically with the onset of Covid-19 due to demand from patients who would not normally qualify under their patient needs assessment criteria for ambulance transport (and therefore would qualify for our service), however due to shielding requirements these patients were now being accepted by SAS. In addition SAS were reduced to carrying a single patient per run, as opposed to the normal average of 6 patients.

In order to assist in this situation, our organisation made minibus transport available on a daily basis staffed by both volunteer and paid resources. This was to convey passengers in our areas, meeting our criteria. The above arrangement allowed SWCT to resume and increase our Patient Transport Service capacity. We were able to deliver 710 healthcare appointments in 20/21, compared with 465 appointments in 19/20. Our volunteer car based service operated at a minimum level during quarters 2 and 3 of 20/21, and began to recover in quarter 4.

Support from our funders, Strathclyde Partnership for Transport (SPT), Impact Funding Partners, and Glasgow City Council (Integrated Grant Fund and Communities Fund) allowed us to deliver this modified patient transport service and the restricted group transport service.

Despite the challenging circumstances, which resulted in a 75% decline in our group transport revenue, our loss for 2020/21 was restricted to £3,577. We were able to achieve this through support from our funders, contribution from the government via the Job Retention Scheme, and a reduction in expenses.

Despite the overriding impact of the pandemic, we were able to introduce a revised organisation structure on the management and administration side, and successfully moved to a new computer system for our group and patient transport service.

One director resigned during the year.

Financial review

The financial position of the Company is reflected in the financial statements.

Reserves Policy

The Board is satisfied that the level of reserves held is sufficient to meet all anticipated liabilities.

Plans for future periods

The focus in the 2021/22 financial year is on trying to rebuild our group transport activity, within the restrictions that continue around Covid-19, and continue our patient transport service, reducing the numbers fed from SAS whilst increasing the volumes from the volunteer element.

Indications from the first quarter 21/22 show that the group transport activity was still being impacted by ongoing restrictions.

WE will continue to focus on keeping any potential losses as small as possible. The organisation has sufficient funds to continue as a going concern through 21/22 and into 22/23.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of South West Community Transport

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of South West Community Transport ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 44(1)(c) of the 2005 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Independent examiner's statement

Since the charity is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act, section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; or
- 2. the financial statements do not accord with those records or with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006; or
- 3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Independent Examiner's Report to the Trustees of South West Community Transport (continued)

Year ended 31 March 2021

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the Independent examiners fees and costs linked to the strategic management of the charity.

Motor Vehicles Restricted Motor Vehicles Unrestricted 25% straight line

25% reducing balance
